2005 Row 2

Block 2

Offset Rails

12" finished block, 12 1/2" unfinished block.

- Sew seams away from the center piece.
- Sew scant 1/4" seam allowances, do not open seams.
- Lay out block pieces as cut, following diagram if necessary.
- Dry Press seams away from center. Move iron in one direction only, lift and press from center out to edges. Never iron back and forth, you are pressing seams not ironing wrinkles. Do not use steam until block is finished, water resets and distorts natural cotton fibers.
- Chain-sew when possible and use an anchor or tail to prevent thread nesting on bobbin side.
